Please Note: Category 1 and Category 2 Suit swimmers receive separate place awards in their own division for individual races. Gender Place and Overall ranking is also by Suit Category. For the Short and Long Series Awards, Gender Points and Age Group Points are awarded for each race based upon the swimmer's place in their gender and age group categories respectively. These places are recalculated for the Series awards to include all swimmers, with Category 2 swimmers receiving a 10% time penalty. The swimmer with the least number of points wins the Gender and/or Age Group Series.

Please Note: Category 1 and Category 2 Suit swimmers receive separate place awards in their own division for individual races. Gender Place and Overall ranking is also by Suit Category. For the Short and Long Series Awards, Gender Points and Age Group Points are awarded for each race based upon the swimmer's place in their gender and age group categories respectively. These places are recalculated for the Series awards to include all swimmers, with Category 2 swimmers receiving a 10% time penalty. The swimmer with the least number of points wins the Gender and/or Age Group Series.

Please Note: Category 1 and Category 2 Suit swimmers receive separate place awards in their own division for individual races. Gender Place and Overall ranking is also by Suit Category. For the Short and Long Series Awards, Gender Points and Age Group Points are awarded for each race based upon the swimmer's place in their gender and age group categories respectively. These places are recalculated for the Series awards to include all swimmers, with Category 2 swimmers receiving a 10% time penalty. The swimmer with the least number of points wins the Gender and/or Age Group Series.

Please Note: Category 1 and Category 2 Suit swimmers receive separate place awards in their own division for individual races. Gender Place and Overall ranking is also by Suit Category. For the Short and Long Series Awards, Gender Points and Age Group Points are awarded for each race based upon the swimmer's place in their gender and age group categories respectively. These places are recalculated for the Series awards to include all swimmers, with Category 2 swimmers receiving a 10% time penalty. The swimmer with the least number of points wins the Gender and/or Age Group Series.

Please Note: Category 1 and Category 2 Suit swimmers receive separate place awards in their own division for individual races. Gender Place and Overall ranking is also by Suit Category. For the Short and Long Series Awards, Gender Points and Age Group Points are awarded for each race based upon the swimmer's place in their gender and age group categories respectively. These places are recalculated for the Series awards to include all swimmers, with Category 2 swimmers receiving a 10% time penalty. The swimmer with the least number of points wins the Gender and/or Age Group Series.
