Note: Category I and Category II Suit swimmers receive separate place awards in their own division for individual races. Gender Place also has a separate ranking by Suit Category. For the Series Awards, Gender Points and Age Group Points are awarded for each race based upon the swimmer's place in their gender and age group categories respectively. These places are recalculated for the Series awards to include Category II swimmers (with a 10% time penalty). The swimmer with the least number of points wins the Gender and/or Age Group Series. The Overall Place includes all swimmers regardless of Suit Category for informational purposes only.

Note: Category I and Category II Suit swimmers receive separate place awards in their own division for individual races. Gender Place also has a separate ranking by Suit Category. For the Series Awards, Gender Points and Age Group Points are awarded for each race based upon the swimmer's place in their gender and age group categories respectively. These places are recalculated for the Series awards to include Category II swimmers (with a 10% time penalty). The swimmer with the least number of points wins the Gender and/or Age Group Series. The Overall Place includes all swimmers regardless of Suit Category for informational purposes only.

For the Series Awards, Gender Points and Age Group Points are awarded for each race based upon the swimmer's place in their gender and age group categories respectively. These places are recalculated for the Series awards to include Category II swimmers (with a 10% time penalty). The swimmer with the least number of points wins the Gender and/or Age Group Series. The Overall Place includes all swimmers regardless of Suit Category for informational purposes only.
